

HARRISBURG R-VIII SCHOOL DISTRICT

Home of the Bulldogs

Dear Parents,

This summer our school district will offer all students, free of charge, a fun, exciting, and academic approach to learning called Summer Journey. Make no mistake about it, not only will our summer program be FUN for kids, it will also provide an opportunity for students to experience over 80 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge as well as prepare for the school year ahead. Summer Journey's extraordinary educational goals are comprised of academic courses with hands-on instruction centered in reading, language arts, math, and social studies and/or science.

While the academic courses will be relaxed in format—no homework or tests for grades—Summer Journey will also offer courses for hands-on exploration and discovery. Summer Journey courses will include tons of high-interest activities that will engage students in really fun ways...they may not even realize they are learning! You can find a list of courses that will be offered on the back of this pamphlet.

If you are the parent of a child who will be entering kindergarten in fall 2019, I strongly encourage you to consider enrolling your child in Summer Journey. We are hopeful that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Finally, Summer Journey offers an enticing incentive program for students. Students will be eligible to receive daily rewards if they come to school, exhibit a positive attitude and behavior, and work to improve their achievement. At the end of the program, some lucky students will also win Grand Prizes, which will be awarded on the final day. All of our students who demonstrate outstanding attendance will be rewarded with Attendance Recognition gift cards, ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance".

Who should attend Summer Journey? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did! Rosemary Worthley will be the summer school administrator, and I would encourage you to contact either Rosemary (573) 875-0290 or me (573) 875-5604 if you have any questions about summer school.

Sincerely,

Steve Combs

Frequently Asked Questions

What is the *Summer Journey* program?

The Harrisburg R-VIII *Summer Journey* is the extended learning summer program operated by Harrisburg R-VIII to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The Harrisburg R-VIII *Summer Journey* program will be a five day, four week program. *Summer Journey* will run from Monday, June 3, 2019 to Friday, June 28, 2019 from 8:00 AM to 3:42 PM.

Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?

No. It is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

Will transportation be provided to and from the program?

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

What will my child(ren) do each day?

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 10 days enrolled in the program, followed by three different courses in the last 10 days.

How does the incentive program work?

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your child is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- 0 hours missed = \$100 gift card
- 0–7.2 hours missed = \$75 gift card
- 7.3–14.4 hours missed = \$50 gift card

Will breakfast and lunch be served each day?

Yes, students will be served lunches using the same systems used during the regular school term. As a result, students should plan to purchase meals (or bring lunch) in the same way they do during the normal school year.

How do I enroll my child for *Summer Journey*?

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school or visit our website for forms online (forms may be printed and returned to the school with your child).
