## Summer Journey

Dear Parents,

This summer our school district will offer all students, free of charge, an exciting approach to learning called the **Summer Journey** program. Make no mistake about it; our summer program will be FUN as well as educational for students. Our summer school program provides an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead as well as to review and apply previously learned skills and knowledge. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered in **reading, language arts, math, and social studies or science**.

While all of the academic courses will be relaxed in format, the **Summer Journey** program will also offer classes that will take students on a journey to enjoyment and discovery. These journeys include; Launch into Rockets; Cublets BOT Builder; Ready, Set, Drone; Simple Machine Camp; Survivor Camp; and Cooking for Teens. These are just a sample of courses that will be offered during **Summer Journey**.

Additionally, if you are the parent of a child who will be entering Kindergarten in the fall of 2019, I strongly encourage you to consider enrolling your child in the **Summer Journey**. We have noticed that when new students meet their teachers, fellow students and our staff during the summer they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Finally, to make the program even more enticing to students, an extensive incentives program characterizes the **Summer Journey**. Students will be eligible to receive **daily prizes** if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, two lucky students will win **Grand Prizes** that will be awarded on the final day. In addition to daily prizes and the Grand Prize drawing, all of our students who demonstrate outstanding attendance will be rewarded with an **Attendance Recognition** card ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance".

Who should attend **The Summer Journey**? Everyone! Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,  
*Mark Parker*

### **Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?**

### **Will transportation be provided to and from the program?**

However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

### **What will my child(ren) do each day?**

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for first half of the program, followed by three different courses in last half of the program.

### **How does the incentive program work?**

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- 0 hours missed = \$100 gift card
- 0–7 hours missed = \$75 gift card
- 7–14 hours missed = \$50 gift card
