Dear Parents,

The Newburg R-II School District has agreed to use the **Summer Journey** program to offer, free of charge, an exciting approach to learning for summer school for students in grades K-8. Our summer school program will be fun, while also providing an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead and review and apply previously learned skills and knowledge. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered on reading, language arts, math, and social studies or science. Other important fields of study are also available.

While all of the ambitious academic courses will be relaxed in format, (no homework or tests for grades) **Summer Journey** will also offer enrichment courses for hands-on exploration and discovery. All grade levels will have the opportunity to participate in STEM (Science, Technology, Engineering, and Math) courses. Kindergarteners will participate in backyard exploration. Elementary students in grades 1-3 will participate in a variety of enrichment courses including BrickLAB: Magic Beans, Launch into Rockets, Plants and Seeds, Pirate Camp, Scratch Camp, The Science of Superpowers. Fourth and Fifth graders will participate in courses about Flight & Aerodynamics, Oceanic Exploration, Simple Machines, and Snack Attack. Middle School students will participate in Classroom Cooks, Game Show!, Rockets Plus, and Survivor Camp.

If you are the parent of a child who will be entering Kindergarten in the fall of 2020, we strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when new students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Finally, to make the program even more enticing to students, **Summer Journey** provides an extensive incentive program. Students will be eligible to receive daily prizes if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, some lucky students will also win Grand Prizes that will be awarded on the final day, which includes attendance recognitions. Attendance recognitions range from \$50 for "near perfect" attendance to \$100 for "perfect attendance."

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Please review the enclosed information with your children. Sincerely,

Sincerely,

Dr. Lynne Reed

Superintendent

Frequently Asked Questions

What is the *Summer Journey* program?

The Newburg R-II *Summer Journey* is the extended learning summer program operated by Newburg to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The Newburg *Summer Journey* operates daily from 7:30am to 3:00pm. The program dates are from July 1 to July 31, 2020. It will be held at Berg Elementary for grades K - 6 and Newburg High School for grades 7 - 8.

Dates could be changed based on the number of days missed due to inclement weather.

Changes will be announced.

Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?

No. It is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

Will transportation be provided to and from the program?

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

What will my child(ren) do each day?

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 11 days enrolled in the program, followed by three different courses in the last 11 days.

How does the incentive program work?

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- Perfect attendance = \$100 gift card
- One day missed = \$75 gift card
- Two days missed = \$50 gift card

Will breakfast and lunch be served each day?

Yes, the District has applied for a special state grant whereby ALL students would receive a free breakfast and lunch daily. In the event the grant is not approved, breakfast and lunch will be served using the same systems that are currently in place.

How do I enroll my child for *Summer Journey*?

Simply fill out the enrollment form found online at:

<https://www.surveymonkey.com/r/NewburgSJ20>

Student Incentives

Attendance Incentives

Student incentives are dependent on attendance.

\$100 Shopping Card

Perfect attendance

\$75 Shopping Card

Up to one day missed

\$50 Shopping Card

Over one day, up to two days missed

Gift cards can be used in the local stores or malls. The attendance incentives are contingent on actual (full-day) attendance in the *Summer Journey*[™] program.

Daily Incentives

Daily incentives will be awarded to students on basis of good attitude and achievement as determined by each site.

Newburg R-II Summer Journey™ Course Offerings

All **Academic Courses** (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All **Journey Courses** are offered during afternoon sessions. Students participate in *Journey* courses for two-week blocks, enabling every student to participate in six *Journey* courses.

Kindergarten

(students entering K in the Fall)

Adventures in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Multi-sensory activities are used extensively, providing opportunities for meaningful engagement with the learning process. Students’ knowledge of the natural world is fostered along with concepts such as color and shape recognition, fine-motor development, phonemic awareness, and counting and sorting. This unit offers multi-level activities and is appropriate for districts with a wide variance in student population, including children with little or no previous school experience.

Kamp Kindergarten

In the afternoon portion of the Kindergarten day, students unpack their sleeping bags for a quiet time as they listen to nature sounds and engage in physical movement activities focused around the theme of camping. Students develop cooperation skills as they investigate manipulatives and games during Backpack Explorations. From creating s’mores to sharing campfire stories, young campers enjoy their stay at Kamp Kindergarten.

Primary

(students entering grades 1, 2, 3 in the Fall)

BrickLAB: Magic Beans Launch Into Rockets
Plants & Seeds Pirate Camp
The Science of Super Powers Scratch Camp

Elementary

(students entering grades 4 & 5 in the Fall)

Flight & Aerodynamics Oceanic Explorations
Retro Recreation Simple Machines
Snack Attack Traveling Artist

Intermediate

(students entering grades 6–8 in the Fall)

BrickLAB Genetics Classroom Cooks
Game Show! Rockets Plus
Egg-taordinary Physics Survivor Camp
